

DID YOU KNOW...?

DID YOU KNOW WE HAVE A NEW TRASH VENDOR AND NEW TRASH DAYS?

New Trash Schedule:

Monday: Trash Collection

Thursday: Trash Collection
Recycling Collection

If a collection day falls on either Christmas Day (December 25th) or New Year's Day (January 1st) Potomac Disposal will pick up trash on the following day. Collection on all other holidays will not be affected unless otherwise notified.

You may continue using your current trash and recycling receptacles. Once trash is picked up, containers should be stored out of public view, not in the alleyway, front or along the side of the house or garage.

Please help us keep Greenbelt Station beautiful and protect property values for everyone.
