
MEET THE BOARD CANDIDATES

Greenbelt Station Master
Association 2022 Election

FEI LIU

My name is Fei Liu and I'm excited to announce my candidacy for a position on the HOA Board. I'm looking forward to working harmoniously with our board members, volunteers as well as the management team in an effort to continuously make Greenbelt Station a great place to live in. For those of you who don't know me, I have lived in Greenbelt Station for 5 years and have thoroughly enjoyed my time here. I have a loving spouse, who I have been married to for over 10 years. In my spare time, I like travelling to new places to enjoy the local culture and visiting art museums. HOA board members shall know how to plan and understand the budget, manage the association's finances, deal with disputes, discuss and carry out ideas, and listen to the membership. I got my PhD degree in Science and I'm a research scientist at Morgan State University associated with the NASA Goddard Space Flight Center. I believe my background makes me the best candidate for the job and I have the necessary experience to do it well. I am also very enthusiastic and give my all to every job that I am given. If you like me, please vote for me! Thank you!

THURSTON LIVINGSTON

I have lived in Greenbelt Station since July 2015. I have seen our community grow into a great place to live. I would be honored to serve on the board to help the community continue to grow.

CORNELL LYNCH

Hello Greater Greenbelt Station Community! I am Cornell Lynch, a community resident as of July 2019. My participation and activism with the Greenbelt Station HOA and its Board of Directors began in mid-2020 and I have been engaged ever since. The covenants committee is where I initially volunteered and thereafter, I assumed the remaining term of a board seat for an exiting resident of the community. I have served as a board member-at-large, treasurer, and now vice president. It is my desire to continue in service to GBS Board of Directors. As such, with the current seat/term ending, I offer my candidacy and service to the GBS Board of Directors, but more specifically my fellow neighbors of GBS. In this election, I ask that you cast your vote for me, Cornell Lynch. Thank you.
